

# **Announcement from the AMDF French WDC member**

**Dear friends**

**Few weeks ago a group of French layers found an opposition between French law and rules governing Dance teaching and the Charter of Fundamental Rights of the European Union in article 13.**

**This Article 13 states that the arts and scientific research shall be free of constraint. Academic freedom shall be respected.**

**We must examine all implications of protected freedom in artistry for us. Restrictive national laws and regulations seem to be in complete contradiction with the E.U. fundamental rights.**

**Best regards.**
