Multi-level Amateur Competition / Am-Am Competition **Canadian Dance and Dance Sport Council**

In the goal to improve our service to our members, the Canadian Dance and Dance Sport Council is proud to announce that starting January 1st, 2008, Multi-level Amateur Competition will be held inside some of the CDDSC sanctioned event.

At the 2006 Annual General Meeting of the Canadian Dance and Dance Sport Council, this project has been introduced. This year the project has been completed and accepted by the Board with the following details:

Description: The purpose of this kind of competition would be to provide an opportunity for those competitors who cannot obtain partners at their own level to compete and also giving them the required motivation to improve the quality of their dance.

For example the girl could be in Bronze level and the boy (leader) gold level. Only the girl will be marked and it will be a bronze multi-level competition. The marking system is similar to a pro-am event where only one individual is evaluated.
